

COLUMBUS COUNCIL ON  
WORLD AFFAIRS

# Ohio in the Global Economy

Presented by

## Program

During 2009, the Columbus Council on World Affairs presents its *Ohio in the Global Economy* Series, delivering high-profile lectures examining the trends impacting the global economy and the outlook for the future. Speakers will address the impact of these trends, highlighting the key challenges and opportunities for Ohio and Columbus businesses.

## Goal

To enhance Central Ohio's economic prosperity through increased understanding of global financial and business trends.
