

## **International Sourcing Project Manager**

### **We're Growing – Looking for Senior Project Managers**

889 Global Solutions is a contract manufacturer proudly headquartered in Columbus, Ohio. Sixteen years ago, we began our mission to help North American businesses increase their profits and improve their supply chain efficiency. At 889 Global Solutions, we believe it takes a strong work ethic, qualified people, and a true passion for manufacturing to continue to provide the level of service our clients have come to expect.

We are seeking a fulltime Jr. and Sr. Project Managers to join our team. International Sourcing Project Managers work with our U.S. clients, employees in 889's Chinese offices, and contacts at Asian factories to manage projects from production through delivery. The ideal candidate will be fluent in Mandarin and be experienced in Asian sourcing.

If you are looking for a career with a company that has remained a small business at heart by valuing our employees first and foremost, 889 Global Solutions may be right for you. We are a diverse team of professionals dedicated to our core values:

- We will provide our customers with amazing service.
- Every employee contributes to our success and bottom line.
- We value creativity, flexibility, and thinking outside of the box.
- Our success is built on teamwork in an environment without politics.
- All of our relationships, with both clients and coworkers, are based on integrity.

The advantages of working at 889 Global Solutions extend beyond a very attractive benefits package. In addition, we offer employees:

- A relaxed open-door culture working with great people
- A strong commitment to continuing education and professional development
- An opportunity for international travel

#### **Key responsibilities include:**

- Work closely with clients to understand and meet their manufacturing needs, from design through delivery
- Collaborate with our Asia team to locate, qualify, and negotiate with vendors
- Track production and quality control for each project to ensure client's quality standards and delivery time-tables are met
- Communicate with multiple parties throughout quoting, production and delivery, including overnight communication with Asian factories and our overseas staff, and daytime communication with clients and fellow team members

#### **Essential skills:**

The successful candidate for this position will have, at minimum, the following skills, knowledge, and abilities

- Good written and verbal skills
- Strong communication skills
- Ability to juggle, prioritize, and refine minute details for multiple projects simultaneously
- Positive, entrepreneurial and independent attitude
- Strong project management skills
- Ability to develop and maintain relationships
- Solid judgement with ability to make good decisions

**Education/Experience for the Jr Project Manager Position (Entry Level):**

- Fluent in Mandarin and English – required
- One year of experience in project management (preferably in East Asian markets) or recent graduate
- Associate Degree or Bachelor’s Degree in supply chain management, logistics, business administration, or a related field
- Ability to interpret drawings and prints of component parts is preferred

**Education/Experience for the Sr. Project Manager Position:**

- Fluent in Mandarin and English – required
- Three plus years of experience in sourcing, purchasing or project management is required (preferably in East Asian markets)
- Associate Degree or Bachelor’s Degree in supply chain management, logistics, business administration, or a related field
- Ability to interpret drawings and prints of component parts

**Compensation and Benefits**

We offer a competitive base salary, and the opportunity to earn a generous commission. Benefits include Medical, Dental, and Vision Insurance, vacation, and paid time off.

Candidates must be legally authorized to work in the United States without sponsorship. This position is physically located in central Ohio and no relocation is offered.
